Can ESNEFT help you develop your Pharmacy workforce?

Levy Sharing with our local Pharmacies

Did you know ESNEFT are accepting Levy Share requests from local employers to upskill talent from within our community via an Apprenticeship?

If you meet the eligibility criteria the transferred funds pay for 100% of the training and assessment costs of the apprenticeship, up to the funding band maximum.

You need an [apprenticeship service account](#) to apply for a transfer to fund an apprenticeship for your business.

To apply for an ESNEFT Levy Transfer you will be required to complete a digital online request form which can be accessed via the following link:

<https://tinyurl.com/ESNEFT-Levy-Share>

What do employers need to know before applying?

Who is eligible to apply?

We can accept applications from organisation who:

- Deliver Health & Social Care within East Suffolk & North East Essex ICS
- Are voluntary, community and social enterprise organisations delivering services within Suffolk & North East Essex ICS Health & Social Care
- Help and encourage local people to work within health and care
- Support lower paid staff to reach their potential via professional development

West Suffolk can be supported via West Suffolk Hospital

Employers must have a Digital Apprenticeship Service account

In order for ESNEFT to be able to transfer funds, we need confirmation of you account and reference number. If you do not have an account please click this link for details or via the Youtube Support video via the QR code

ESNEFT's considerations when assessing Levy Share applications

Our vision is to support growth within NHS establishments in North Essex and East Suffolk. To ensure employers share the same vision we require answers to the following three questions as part of your application:

- *How will supporting this apprenticeship have a positive impact on the patient service within the integrated care system?*
- *How will supporting this apprenticeship have a benefit on the wider community?*
- *How will supporting this apprenticeship enable your staff to develop and reach their potential?*
